

New Balkans Law Office

Bulgarian Family Law Practice

ABOUT US

New Balkans Law Office is a Bulgarian legal services provider, specialising in corporate and commercial law, with a particular emphasis on advisory and cross-border work and an interest in the technology and venture capital and private equity sectors. Founded in 2005, the firm has gone from strength to strength, providing advice primarily to international clients and diversifying its portfolio of practice areas. It also has a strong private client practice.

The firm is distinguished by its modern approach and international reach, with offices in both Sofia and London. A number of our lawyers are dual-qualified, particularly helpful when dealing with cross-border issues.

With lawyers experienced in the conduct of both local Bulgarian and international legal business, we are able to strike a balance between local and international demands. Our lawyers' professional experience and academic excellence set us apart from our peers.

CLIENT BACKGROUNDS

Our clients originate from a range of countries and industries. We serve large corporate and private clients alike. Since the firm's founding in 2005, we have acted for private investors, international think-tanks, multi-national venture capitalists and government bodies.

We advise both investors new to Bulgaria and those with previous experience. Our work includes the structuring of region-wide and international transactions which frequently makes use of Bulgaria's advantageous corporate and tax infrastructure.

FAST

We understand our clients' needs for a prompt and responsive service and the urgency for document production that can arise. At the same time, we remain committed to professionalism and attention to detail.

EFFICIENT

We provide specialist teams which rapidly respond to transactional demands. These small, flexible teams deal with your client matters efficiently.

INNOVATIVE

We supervise and train our junior and senior lawyers extensively and value international experience.

FLEXIBLE

We discuss at length each client's budgeting schedule, their prior experience of Bulgaria and manages the engagement in a way advantageous to the client.

AFFORDABLE

Our rates are very competitive and we strive to offer cost structures that are closely aligned with clients' internal budgeting processes and with what is of highest value to them.

Family Law

Our Approach and Services

OUR FAMILY LAW PRACTICE

We advise private individuals and families on various legal matters which arise from living or holding investments in Bulgaria. Our particular strength is in understanding the interaction between multiple jurisdictions and their competing claims on individuals. Our expertise in a broad spectrum of family law enables us to offer a wide range of skills - to meet your personal circumstances. At the same time, our diversity in practice allows us to also provide additional expertise from other legal disciplines, should the case require it.

We understand that family problems can be complex, often stressful and traumatic. With our professional advice and sensitive approach we will guide you through all your options and will help you to achieve the best possible outcome. We aim to accomplish this in the most practical, efficient and cost-effective way.

We are specialists in resolving family disputes and encourage our clients to negotiate agreements out of court where possible. Notwithstanding, sometimes a situation requires a tough approach - we have the expertise to deal with such cases.

OUR SERVICES

We offer a range of services on family law matters, including:

- divorce
- recognition and enforcement of acts for divorce and marriage
- financial orders on divorce
- pension implications of divorce cases
- tax implications of the creation, maintenance or dissolution of family relationships
- separation
- cohabitation and property ownership disputes
- disputes over custody of children
- maintenance of children
- adoption and surrogacy
- pre- and post-nuptial agreements
- advice on the implications of Bulgarian family law on clients' ownership interest in their business
- passing of property and wealth on death
- drafting wills
- complex family law situations with international dimension
- disputes involving trusts or family businesses

OUR GOAL

We are committed to helping you resolve your family law disputes. We provide you with professional legal advice, in an understanding and considerate way. Our goal is to find the best possible outcome which is fair and suitable - for both you and your family.

OUR LAWYERS

Our lawyers are experienced in handling situations across a broad range of family law matters requiring an astute legal mind and sympathetic understanding, which ensure a professional and considerate legal advice. Whether your case is of standard procedural matter, relating to divorce, financial provisions or family law business, or involves a complex situation requiring high value family litigation, we will guide you through the process both domestically and internationally.
